

# The *Luckylite News*

*Issue 6*

*April 2018*

## *Website updates*

Please check the website as there were some amendments from April to the 2018 to 2020 Rules and Terms & Conditions.

## *Wifi on site*

Wifi is available on site - strongest at the washdown area - no password is necessary.

## *Notice board*

There is a notice board in the reception office foyer. If you wish to place a notice on the board, please ask one of the team first. Notices will be limited to 2 months at a time.

## *Lost & Found*

We occasionally find items on the site, often towbar covers dislodged by the wind, but do not know the owners.

We now place the larger items in the baskets just outside the reception office, with smaller items kept safely in the office.

If you lose an item, please check with us. We will keep them for 2 months before disposing of them.

## *Payments*

Your page on our website now has a record of payment dates - this is available to you only.

For technical reasons the payment may not appear in the box for a few days - please be patient.

## *Plot reference number*

For site checking purposes we rely on the plot reference number being displayed on the front window of the caravan or motorhome. Over the years some have become very faint or non-existent. If you require a new plot number, please call in at the office.

*Thank you.*
